it is not detailed enough on anything,, I prefer the photos. the e on the centerline for example does not tell me vertical placement , only verical, it doesn't tell me size. I do like the narrative however. thanks

Jeff,

This is just a test video I took today. It is short but I hope to supplement the pictures we take tomorrow, weather permitting, with something like this. It give you a better perspective.

Let me know what you think and if this will work.
