- *Pinterest Etiquette: Try to...*
  - **Be Respectful.** Pinterest is a community of people. We know that individual tastes are personal, but please be respectful in your comments and conversations.
  - **Be Authentic.** Pinterest is an expression of who you are. Being authentic to who you are is more important than winning lots of followers or fans.
  - **Credit Your Sources.** Pins are the most useful when they have links back to the original source. If you notice that a pin is not sourced correctly, leave a comment so the original pinner can update the source.
