The objective of the call is far more modest - it is to have [REDACTED] give Roy assurance that if there is ever any new post-NPA investigation that there, under these circumstances (NPA), will be an entitlement to a conference with USAO heirarchy - not looking to make statement to media/ get a guarantee/ disclosure - I agree with Reid we have no expectation of getting any of those at least formally- we are in a vaccum - no one in heirarchy knows of NPA - this would put [REDACTED] on notice that she cannot secretly authorize new case without a process that involves your counsel
