Jeffrey,

How are you doing ?

some news and photos from austria, on one of them they make me trying Jegermeister - the most disgusting austrian alcool i always refuse to take into my mouth

Austria is RAD - so much snow and the resort is great but they french crowd im with are afraid of every difficult slope and of the riding in the forest which is the funniest ever!! they sleep till 11 a m then they eat for 3 hours at lunch...oh...boring Frenchies

So I found two 15 years old swiss kids and ride and film with them, so sweet! They do everything I propose them to do, very obedient boys, lol

my sister is competing on the nearby resort so i will come to see her tomorrow after 10 months, so nice

Here in the tourismus office i pulled out a very cool trick - i told them and sent the proof that after being a professional snowboarder i am a journalist for a snbrding magazine and we are here with cameraman, rider and some journalists to write about the resort. They gave me free skipasses for all our fake team and an extra apartment all for free - So i sold some of ski passes. so smart :) its cool sometimes to be a former athlete

hope you are great in africa or in ny or anywhere else

i remind you abt lsat tests if you are in us already!!

kiss
