I called at Roy's request to find out what they wanted. I relayed that to Roy. The reporter had the facts wrong regarding the intervener filings and Roy asked that I hook him in, which I did, so that Roy could correct the errors. I will relay your comments to Roy.

Roy asked that we get involved in an inquiry from the Daily Business Review, which is widely read in South Florida. They were asking about the intervener filings and the Daily Beast item featuring Alex Acosta. As Roy will attest, it is fortunate that we did – and that he spoke with the reporter.

Roy and we expect more coverage in the future. On that subject, we really need to get our engagement letter returned. (You will recall you had me make it out to Jay Lefkowitz to preserve privilege. Let me know if you want it made out to Roy instead.) We would also appreciate your bringing us current on our bills.

Thanks

Mike
