Jeffrey,

These are some other songs done by the same boy.

Given you appreciation of music, I thought you will enjoy these works.

Since our last phone call, we have worked on the idea of offshore banking in China. It seems promising and executable. We have talked to chairman of CITIC group (<http://www.citic.com/wps/portal/citicen>), which owns CITIC bank in China, and also vice mayor of shanghai who heads financial sector there. Some more studies need to be done. I will keep you updated.

Desmond
