---

hey there je,  
what happened last week? I'd really love to meet with you to talk biz. basically, i am looking to raise some money and make sales and could use some advice and pick your brain about connections and business opportunities.

let me know if this week or next works for you. we could even take an walk and look at leaves changing. i'll bring ipad so can show you stuff.

thanks so much,  
jess
