Jeffrey,  
according to Saba Island Civil Aviation, they are not approving any New operators to land on Saba Island at this time,. see message below,. Mr Hassell is on vacation for two weeks, he is the only authority to approve landing permission,. I'll continue to push for landing permission.

thank you,  
Larry

Dear mr. Visoski, I'd like to react on your request for a approval to land on the airport of Saba aerodrome Juancho E. Yrausquin with your Bell430 helicopter with registration N331JE. Your request has been forwarded by mr. V. Hassell to the Civil Aviation Authority the Netherlands (CAA-NL). At the moment new operations to/and from the aerodrome of Saba are not allowed. It's not allowed to conduct new flights or operations to- and from the Saba aerodrome Juancho E. Yrausquin. We are not able to grant you this permission. The operator of the aerodrome is aware of this limitation in use. Best regards, Met Vriendelijke Groet, ing. M. (Maikel) van Velzen Senior Inspecteur
