Yes
Meant for you
Will explain
Yes consciousness can be both divine and diabolical

was this meant for me. ? would you be disappointed if the main purpose of consciousness was a sword and shield in the predator prey game involving all living systems. consciousness might be a weapon. and a shield. . an offensive weapon that allows you to read the mind of your adversary, and plant ideas making him easy prey, and to do the same for your predator, protecting yourself from him. It might have a not so nice fundamental reason for its existence. .
