Jeffrey
It was good to see you. Thanks again for your support and your flexibility of timing.

As promised, I'm getting back to you with an ideal schedule for us. Please let me know if this works.

March -$10m
April $12m
May $14m
June $14m.

As mentioned in my last email, for your accounts we will continue to honor the initial founders share class terms and not charge the terms new investor capital is being charged.

After being out the last two weeks for two conferences and a family vacation, I am back in the office if you have any questions.

Best regards
Ari
