I booked a trip to Paris and a northern european cruise with [REDACTED] and one of her friends from L.A. Since we booked the trip, I've had a falling out with [REDACTED] and now I'm stuck because if I cancel my trip, I will lose \$2500. I've booked a hotel in Paris from July 6 - 9th, and the cruise is from July 10 - 17th. I would rather just stay in Paris by myself and not go on the cruise but I can't afford a hotel for 12 days (I received an assessment on my apt. for the next 6 months) Do you have an apartment in Paris? I'd be happy to switch my NY apartment with you, if you have someone coming here during that time period.
This is what I get for trying to help a friend with her bucket list.....
