She arrived to NYC this morning around 6am.

Supposedly she has an extensive surgery tomorrow.

She does not want to say where is she having surgery.

Nor where is she staying.

She does not want to meet me while in NYC.

She said that she is returning on Friday (or Saturday) which needless to say – that much travel after extensive surgery [REDACTED] is not possible (or crazy).

Not sure even how she would see you on Friday (unless you are going to hospital to see her).

Do not know what to say.

B

Darn!

well..then since I won't get to see you in person maybe we can catch up by phone next week?

Some updates on the work front, nothing super dramatic though.

Probably more updates from [REDACTED] side but you probably read the papers already.

Am feeling optimistic still, albeit a bit tired. Super tired tonight and can't sleep.
