Jeffrey,

Gary is requesting to show the Boeing to the Diamond exchange person this weekend in London,.

Gary would not share his name at this point, I told him you will require name before granting permission to view. Gary told informed me the buyer is from UK origin and lives in South Africa, owns a Challenger 604 currently.

Should I allow Gary to make arrangements for the Viewing if you still have interest in this deal?

Gary is requesting the following information from me:

- Is there an engine program available?. **NO on condition**
- Can I get a CAMP report? **YES**
- What is the Range? **7+45min IFR reserves**
- What is the D.O.C.? **burns 1250 gallons per hour,**
- Can we arrange a showing this weekend in London? (pls advise)

thank you,
Larry
