Thanks! I will have them mark that in their books, and you can let me know how many seats to hold.. They will want to know if you want your foundation to be listed in all the material as a major sponsors... events start Friday noonish.. workshop on violence begins that afternoon, gala dinner that eve, external advisory board meeting sat morning (would be happy if you want to attend that and comment.. is a good group) Sat afternoon more violence, sat eve the public event with second panel on synthetic biology, evolutionary medicine, and machine intelligence, sunday morning brunch at Jahm's.. not much time for other things, but sunday could do one or two other interesting things in phoenix area, or sedona.. Nancy will be here, and would be great to do stuff sunday if you want.. will think of possibilities.. depending on your interests.. art, architecture, walking.. etc..
