Just heard from Michel Hazanavicius...who says he is on the way over to see you in Paris. I will see him and Berenice in Cannes. She is doing the opening and closing ceremonies.

I am packing, a bit nervous and excited about Cannes. I leave Tuesday night...and hit the ground running.

Can you look over this attached invite. I want to cover Sean Penn's event. I know Sean and all the sponsors well, but have to buy a ticket to get in on Friday, May 18th.

Would you consider helping me out? If you make a tax deductible purchase of a ticket, I can go and report it.

Also dealing with AmFar...but Kenneth Cole and Harvey Weinstein may be able to get me a ticket to that...which is Thursday, May 24.

Otherwise, I am into everything and will send my schedule later.

Packing now. xoxo Peg

I think I found someone to buy me a \$5,000 ticket. Can you email me an invite and I will let you know later today.
