Jeffrey!!

Why you don't write back?

Are you in Paris now? will you be flying to Asia this spring ? I go to Hawaii, California, NY end of June - beginning of July more likely, or only NY which is for certain. maybe see you in NY.. my English is so much better now.. I don't mess up with "relinquish" definition anymore and can play with local legal vocabulary. Love my law school here! So entertaining and interactive!

today is my mum's b-day, she is 50 y o and she is with me in Sydney
