# Projects We Love

These four projects breathe new life into ideas from the past.

By Duane King

**Pioneer Plaque Reissue:** Before designing the Voyager Golden Record, Carl Sagan sent this simple message of humanity — a "galactic greeting card," if you will — into space aboard the Pioneer spacecraft.

[View project](#)

By The Evergreen Review

**The Evergreen Review:** From 1957 to 1973, *The Evergreen Review* published works by Beat Generation writers like Allen Ginsberg and William S. Burroughs — help it relaunch for a new wave of literary talent.

By Queens Museum

**Never Built New York:** Explore the New York City that could have been through original sketches, newly commissioned models, and 3D renderings of two hundred years of unrealized urban design.

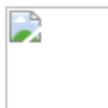

[View project](#)

By Beehive Books

**Illustrated Classics:** Rediscover gems like  Lovecraft's *The Willows* — reimaged here by Paul Pope — in this series of re-released classics lushly illustrated by contemporary graphic artists and cartoonists.
