Jeffrey, I can find someone for you, but I need to sit with you for thirty minutes to just discuss your needs. Because if I get you the wrong guy (or gal) you will be back in the same position. Cruise ship individual is not the way to go, wrong skill set for what you need. I'm in PR till the 15th if you want to discuss. There is no question you need someone and there is a solution, I just need a few minutes of your time.
