Please no more silly questions that you already know the answer. it is a waste of both our time. I love you and you love me what would you like to do?

[REDACTED] Why is it silly to understand the past?
[REDACTED]: [REDACTED] you asked me to share your life with you. I excitedly accepted. I shared my highs , my lows, my dreams my body. every single part of my body. you came home from work, telling me you earned millions of dollars. then fought , screamed with me over 5 thousand. you wanted peace and quiet. You demanded I share the peace but withheld the prosperity. you told me often how much i cost you, how expensive i was IT showed little respect to the both of us. but I love you and overlooked it. you asked me [REDACTED] your mother said it would be in your best interest if i did. you now ask why you should be ashamed?. now that it is the high holy days .. its simple you behaved just like the GOYIM you do not respect. - after the holiday , I will be willing to share a meal. no sex. none. I love you, [REDACTED]. its not too late.
:)

[REDACTED] You seem very very angry at me. Almost bitter. And you are altering facts and circumstances in a large way

[REDACTED] I don't understand what my mother has to do with it either...

[REDACTED] We are not having a rational discussion now.

[REDACTED] and I never made any cash when we were together. Got involved in a bunch of assets. But no cash....

[REDACTED] So not sure where your stingy issues come from

[REDACTED] And why you keep brining up jewish things, I don't get either

[REDACTED] You just seem very very bitter towards me. I did not realize the extent of it. Perhaps you need more time to cool off.
