# Pattern mashup.

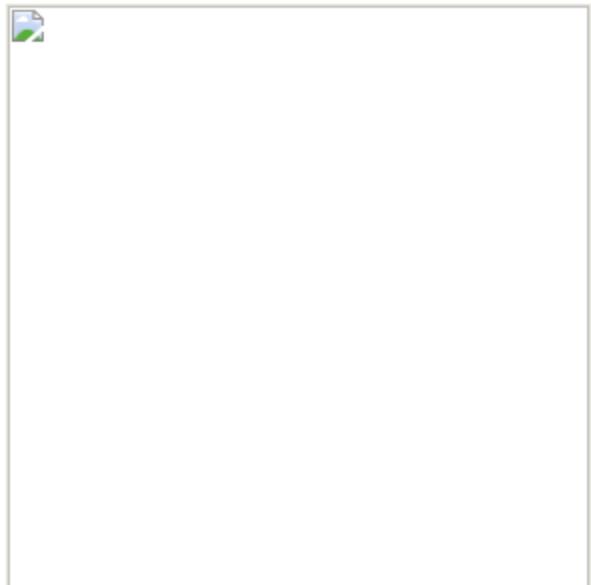

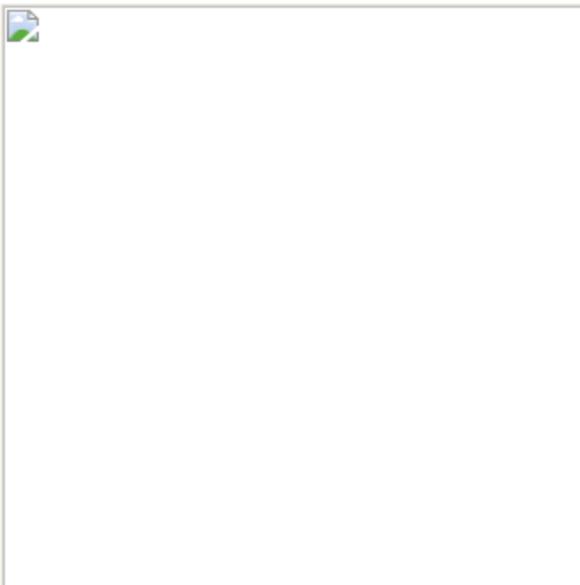

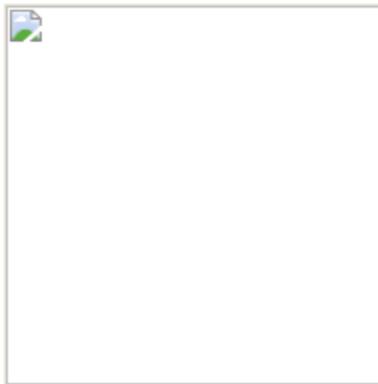

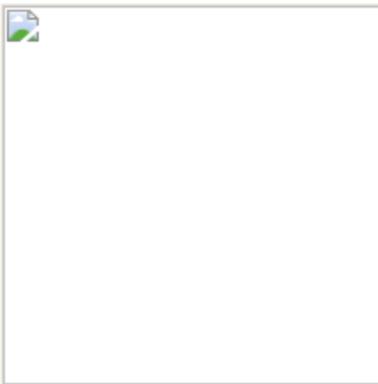

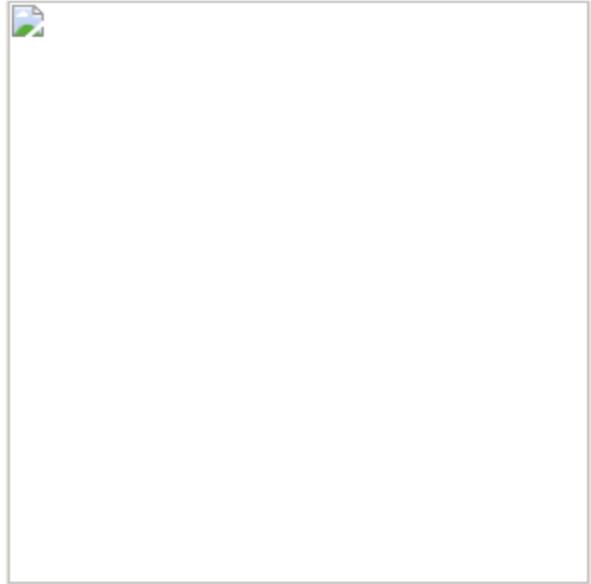

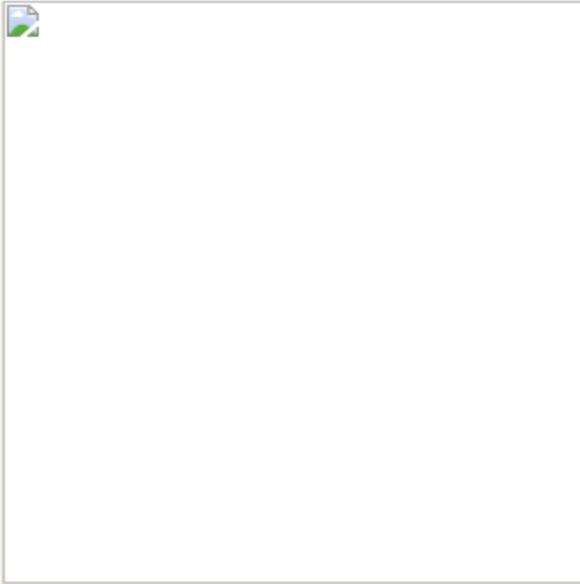

Mixing and matching patterns is simple and fun with the right pieces. Here's how it works: Choose 2–3 colors to set the palette, keep your furniture neutral, and be sure to incorporate little pops of pattern evenly around the room. With simple but eye-catching throw pillows, lively chevron accent rugs, and art prints with just the right blend of classic and modern, today's collection will let you have a little fun as you curate an excellent pattern mashup.
