Dr. Neil Vorus, who was recommended to us by Eva, will test [REDACTED] this Sat. April 12th between 1-4pm at his facility at 575 West End Ave at 88th Street, Suite GR-a. He says the actual testing will be for 3 hours. He requests we pay half now, \$2500 , and then whenever we can get her back to complete the testing, he would want the other \$2500. We can write a check to Dr. Neil Vorus. Dr. Vorus said she can bring the check with her.

do you want Mariana to take the check to Dr. Vorus on Sat.?
