yes.

Barnaby and his sister (who I loved!) came to dinner Sunday night with my friend, Alan. Fun++

Working on a talk for next week.
Cranking on the Essential Self Tech stuff.

Trying to figure out a sublet for July/early August in Boston/Cambridge, and then probably a furnished sublet from mid-Sept. through mid-2015. If you know any academics or others who are leaving Boston/Cambridge and want to sublet - I'm all ears! I don't want to become a Mass resident right away....

Thought I'd be able to get to the Pritzker Prize this year and was all "go" on it, then some things came up here.

Barnaby said you've shifted to Asian (Chinese?) music. I want to hear about this!! Have you tried focusatwill.com? Neuroscientist and composer curated music for sustained states of engaged attention.

Did you watch the 10 min video interview I sent you? You always ask me good questions!!

hope to see you in the next few months! Are you in Paris? Florida? Island? NYC?

XOXOX
