Dear Mr. Blodget,

I hope this finds you well. I am writing from the Jeffrey Epstein VI Foundation. We are a science foundation based out of Harvard University and New York City. The foundation was founded by Jeffrey Epstein. A summary can be found at:
http://en.wikipedia.org/wiki/Jeffrey_Epstein_VI_Foundation

Unfortunately, the first Google image to show up under Jeffrey Epstein's name is a mug shot posted by *Business Insider*. Removing old negative press is extremely difficult and undermines the foundation's work which funds critical science and medical research.

████████████████████████████████ and we would be so grateful if Business Insider could remove or swap the mug shot image from their website. Attached is a jpg for your use. Or you may use any images from our website: http://www.jeffreyepstein.org/

I would be glad to discuss the issue with you or your team and I know that Jeffrey would be available to speak with you as well.

You can reach me at this email or on my cell at: ███████████████ I will also try to reach your office tomorrow.

My best regards,

████████████████
