Lesley,

You may have heard that my sons Josh and Micah bumped into Jeffrey and Boris on Madison Avenue a few days ago. Jeffrey mentioned that he'd recently gotten an Email from me so I know your good efforts have not gone unnoticed. I wrote Boris (copied here) some time ago to connect with him and to arrange further discussions with Jeffrey regarding our situation; unfortunately, he was traveling and did not reconnect.

If there's a chance to arrange a call, I'm in the US and NY area for a few weeks. Would really like to have Jeffrey's support to help get our research jump-started.

Thanks again for your help.

B
