Subject: Introducing Leidos Health

To: "jeffrey@jeffreyepstein.org" <jeffrey@jeffreyepstein.org>

Dear Jeffrey,

I write to introduce myself and my organization.

I used to work at the Juvenile Diabetes Research Foundation (JDRF) and most recently; I was a founding member of the Patient-Centered Outcomes Research Institute (PCORI).

At JDRF (www.jdrf.org), I managed the international grants portfolio as their National Director and COO of Research, as well as their patient/stakeholder program. I went to PCORI in Washington, DC to help startup the institute (www.pcori.org). At PCORI, I set up the organization strategic plan, policies and procedures, standard operating precedes, grants and program management, IT, and their patients/stakeholder program.

I recently joined Leidos Health to develop a consulting practice to support organization like yours – see attached.

I would welcome the opportunity to hear more about your organization so we may explore opportunities to work together. I am in NYC next week and I can stop by anytime. Next Tu, April 29, there will be a couple of Leidos Health Scientists with me, and if you have time, we welcome the opportunity to talk to you in person.

I look forward to hearing from you.

Thank you/Gracias,
Martin
