Jeffrey,

FYI. The three Bidders that are proposing on the shop buildings are Custom Builders, Apex Construction, and Balbo Construction. All are very reputable Contractors that have built many substantial projects in the Virgin Islands for the past thirty plus years. The Bid date is June 9. Drawings were distributed to each several weeks ago.

Gentlemen,

The following clarifications are provided regarding the Bids to be received for the Little St. James Mechanical, R.O. and Maintenance Buildings:

1. The Contractor is allowed to utilize the Little St. James Barge for the delivery of materials.
2. The Contractor shall include the cost of site work in his Bid, including equipment.
3. The equipment schedule shown in the drawings for the vehicular and woodworking shops is for information purposes only. The Contractor is responsible for all mechanical and electrical supply to the above referenced equipment. All shelving shown shall be provided by the owner.
4. The Buck Steel quote that includes the generator building is included with this email.

The bid date remains June 9, 2017.
