Switching to my Elysium email.

The broker noted that Leon's G5 could be sold for around \$12-13MM. There are some earlier vintage G550's that can probably be purchased for \$23MM-ish. This would be a \$10MM-ish upside. But not as nice as your G550 or G650.

Just tried phoning you, but I gather you are traveling. I'd like your perspective on a couple of things, including whether it is advisable for Leon to charter the plane more.

Let me know when is good to talk.
