Gloria called to let you know with each day Marvin is progressing nicely. They hope he will be home by early next week. She said Marvin has rec'd some texts from you which he greatly appreciates. Gloria also said Marvin keeps his Iphone with him at all times and if you wanted to give him a call you may. If he happens to be in physical therapy or something he won't pick up, but she definitely says you could give him a try. (she told me he [REDACTED])
