Had dinner with George Lucas!!! Went to record producer LA Reid's for dinner on mountain top home overlooking the harbor. So dramatic, like in a movie.

Then went to Dasha Zhukova and Roman Abramovich's. Black Eyes Peas played. Fergie beyond sexy. Demi Moore, Ashton Krushner, Salma Hayak, Wendi and Rupert Murdoch, Martha Stewart, Jean Pigozzi, Peter Brant, Stephanie Seymour, Rula Jubreal and Julian Schnabel, Jean Pigozzi...David Geffen French kissing his boyfriend (yuk)...and George Lucas again (my new friend- he told me how much he hates the Academy and what a farce the Oscar race is....). Pulsating music all night. World class DJ...just another simple night in St. Barths. Wild here. This was the hot ticket of the night.

Ron Perelman had an earlier birthday party on his new boat that I was not invited to because he is mad at me and I don't care...he is born on the 1st. He had Jon Bon Jovi, Graydon Carter, Mike Ovitz....

Was on Harvey Weinstein's yacht this morning. He made me read all the rave reviews on "Blue Valentine" and showed me 10 mins of new film about Marilyn Monroe...a true story of a week in her life when married to Arthur Miller and filming in London...Arthur had to go back to the States and an young assist director (Eddie Redmayne from play "Red") has an affair for a week. Footage so great. True story.

Then went to Debbie and David Reuben's 243ft boat Siren for lunch. Then took them to my beach at Taiwana and Isle De France where it was packed with nervous people comparing New Year's Eve parties. My least favorite thing about the second week was the social hysteria...

So I got three rides home on private jets.

Peter Brant, which I am taking Sunday, Martha Stewart, also Sunday which I passed on and Larry Gagosian on Tuesday...

Can't believe two weeks flew by. Played tennis every morning with a pro...ate healthy, wore sun block.

Happy New Year...here's to new adventures...xoxo Peg
