Dear Jeffrey

How are you doing ?

Regarding assistants, I spotted two skinny blond blue eyes 21 years old ladies in Monaco last weekend and asked them for CVs. Hopefully they will send me them.

I pay for advertising the PA job and keep on receiving applications but candidates don't match your strict requirements unfortunately. There is a talented lady in horse sports who applied. Her details are below. Should I Skype her ?

Kind regards,
[REDACTED]

This is my CV and the three pictures you have requested for the job application. Let me know if you need any reference letters.

Could I please have more information about this opportunity?

Looking forward to hear from you.

Kind regards,
