I told Barry to just send the emails to me not Leon since I print them anyway – they are under my password. Leon does not have one. Makes no sense to send anything to Leon!!!!

By the way we have an inexplicable problem at Elysium whereby emails to Leon are recorded by Outlook as to "Debra Black". See below. As you can see, the email address is Leon's not Debra's, so she never gets the email. It's just an appearance problem. Our IT folks have tried multiple times to fix this. Trying again.

You asked for a draft 1040 quite some time ago. We should finally have it either tomorrow or Friday.

Joe V and I think that in the future we need to have draft 1040s much, much earlier than this. With process changes that Joe V is implementing, we are confident we can be much more timely in the future.
