If you mean this kind of girls I really don't know where to find them since I have a totally different crowd of friends... if you understand what I mean.

By looking at this picture I understood we might have slightly different tastes. However, [REDACTED] ready to call [REDACTED] right now and ask her where I should look for them and what I should say since I have zero clue. [REDACTED] happy to learn if I can make you happy

About what I should do in the longterm. Now [REDACTED] doing babysitting and waitress just to have a little extra cash but what I earn barely covers my rent and [REDACTED] not learning anything interesting for my personal growth or career. [REDACTED] worried about my future and wanted to talk with you if you had any suggestions...
