i met max from christies at 9 east 71st earlier - shockingly they loved the two sculptures
i think they were in awe of your home and assumed everything was perfect before they even looked
i asked biggest issue and they said nothing...however without provenance they say it is worthless...(best if it
dates back to at least 1970 (benchmark for museums))
shall i follow up with david today on provenance and his potential good news on loan repayment?
please advise
thank you
