Please see the revised quote from Kim Steube at Sacco sent to us after you spoke to Mark Sacco on the 18th of December.

THis is for the **4mm 100% silk carpet in navy blue.**

The price is **\$ 39 986.25** after our credit has been taken into account

They require a 50% deposit to go ahead

Kim says they spray it with a non invasive (to silk or humans) spray to protect it. I have asked her to put on an email. As well as the lead time.

I have printed it and put it on your desk with the sample. I would like to talk to you regarding which way the carpet will run/be placed.
