

Third-Party Respondents' Witness Designations

Third-Party Respondents may call the following witnesses during the arbitration hearing to offer evidence in support of their claims and defenses:

Daniel Zwirn

Jeffrey Epstein

David Lee

Doug Cardoni

Elise Hubsher

Brad Flood

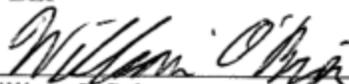

Allyson Alimansky

Third-Party Respondents reserve the right not to call the above witnesses. Third-Party Respondents further reserve their right to call additional witnesses for the purpose of rebuttal or impeachment, and to call any witness called by any other party in this arbitration. Third-Party Respondents also reserve the right to call custodians of records solely for the purpose of establishing the foundation facts necessary to admit into evidence any document whose admissibility into evidence any other party objects to. Third-Party Respondents further reserve the right to supplement their witness list to the extent additional witnesses are identified.
