Matthieu called me back and said he couldn't meet me because of the situation with JL. He said he had no problem with me and you, but would prefer to meet when this story is over. Will tell you over the phone

[REDACTED] wants to meet at the club at midnight, she said she is busy before that and she needs to drive the girls. I am meeting [REDACTED] before that, maybe we will go together, not to be out alone at night.

Spoke to Athena - nothing new here. She said she doesn't want to meet up unless it is for a dinner, "diner at Jeffreys ? for me to know cause otherwise if i come just to stay 10min i would prefer to see u another day :) How is jeffrey? I have no news!

I liketo see u but just10 min to say hi its abit cold 😞" I don't know where she got the 10 min idea from... Last time I saw her, she was complaining about life and after she started complaining that we were not spending enough time together...

Meeting [REDACTED] tomorrow. Waiting to hear back from [REDACTED] and [REDACTED]

All the best, [REDACTED]
