To: Anzalone Gary <[REDACTED]>

Dear Gary,

Nice to hear from you. Thank you very much for your comments on our logo. You will see the story behind it in the small mp4

Our Gulfstream GV #577 is, with **only 2756 TT**, the LOWEST TIME GV on the market today.

It features a 16 pax interior with forward galley: a club seating in the FWD cabin, a dining area for four with two single seats and a side facing sofa, plus two 4 place divans in the aft cabin. This GV is equipped with Satcom, 2 cabin monitors, dvd & cd changer and vhs. The aircraft has received a new paint in 2012 (9/10), the interior is original but extremely well maintained (7/10).

Registered in Lichtenstein, it has been managed, operated and maintained by Jet Aviation Zurich since new. Needless to say, it is in very nice condition in and out.

The asking price is \$13.5M. I know for a fact that \$12.5M will be accepted. Less than that needs to be tested...

I have attached a preliminary presentation and maintenance status for your review.

Don't hesitate to contact me if you have any question or require additional information.

Thank you very much for your consideration. I look forward to hearing from you.

Best regards.

**Thierry Boutsen**

First of all, I love the new logo!

Please send more details about the GV including price and maintenance information on airframe and engines.

We have serial number 525 under contract and we do have residual clients!
