Bonjour Monsieur.
Je ne pourrais pas conduire si je n'ai pas l'attestation d'assurance (je risque de perdre mon permis de conduire)

Cordialement

Valdson does not want to drive if he does not have with him in the car, proof that the car is insured in case of control (it's a legal obligation for any driver to be able to show proof of current and valid insurance). See attached, example of the document he has to have in the car. This type of document can be issued by the insurance company on a temporary basis for a limited period pending the finalisation of any new contract.

Can you please provide Valdson with such proof or discuss directly with him.

You mention that "*we have papers in case he is pulled over*". What sort of document do you have which would meet French obligation for any driver in France.

If need be, you can call me on [REDACTED]

Best regards.

Please see the respond from insurance company. I asked Tracy to call again and request a temporary insurance card.

Thank you,

Tracy –

With Wilmington shut down, we are transitioning this policy to our France office for approval to continue.

This email is to confirm that we are desk binding coverage as expiring (see attached) for 2 weeks in order to get the new policy issued. Please let the insured know that coverage is in place and they are ok to drive.

Let me know if I can help on anything else regarding this. I know this is an inconvenience, but we are doing everything we can to get this resolved quickly.
