---

I apologize for not getting back to you. We are out doing the final ROV work for the cables in the deeper areas and are out from about 630 until 630.

We are preparing to finalize the EAR for the cables. we are presenting to DPNR and COE at their meeting on the 21st and then submitting the same day.

I will try to call you from out on the boat, but its windy right now.

Amy Claire Dempsey, M.A.
