"Something nice". Okay, I'll try to find roommates, but I do not understand then why did you say what you want me to have my own space. And you say that money is no problem for you and you're ready to help. I would also prefer to concentrate on my studies and exercises but do not fight for the toilet and kitchen. I will try to find, but just wondering what happens?

Good morning, dear Jeffrey!

How are you? How is a weather in Paris?

Thank you for the money for school. Thank you for school! I have already started to learn. I liked the last study.

And I have a good exercise with [REDACTED] But I think today I will run alone, because she was a little sick, but I feel that I need more. I run every day after school.

I try to find an apartment is cheaper, but it is very difficult to talk about such serious things with my English. Only cheaper studio in Harlem ... In Soho - still more expensive than in the area. I'll try to see more options, but one which I told you (on 60 Street and an Avenue - Furnished studio) - so far the best I've seen and is ideally Subway to study and travel down the city.

I'm terribly miss you !!!!!

Tell me something nice ...)

Big kisses
