MY guess would be in a descending order – but it would be the best to have few of them -

ann hathaway,
ban ki moon,
prime minister qatar,
howard gardner, multiple intelligences
woody allen'
leon panetta
en george mitchell,
david gergen,

I understand – he might do a mistake of joining Tempelton. Because of its principals, that foundation has a horrible reputation.
Not bad but a number of scientists are actively lobbying against. I heard it from so many people/leading scientists.

Bill is one of the least religious people you will ever meet. We are working with a top scientists world wide on a daily basis. It might be risky to get involved/have any connection with Tempelton at this stage,

And you have much more interesting people on the list below.

I would stay away of Barnaby – I know that you are liking him but Templeton Foundation has a bad reputation of religious mambo jumbo wrapped up with pseudo science.

Any of the previously listed are much better sen george mitchell, leon panetta., woody allen, ban ki moon, artificial intelligence guys, george church genetics, . howard gardner, multiple intelligences. david gergen, (advised four presidents), ann hathaway, (really) , prime minister qatar,

He know George Church and Ban Ki Moon – but Ban ki Moon is always a good choice
