This area should be cut so he can lift the tray table

Right hand galley area closeout panel should be white to match countertop plus more down wash light , currently casts a shadow on back wall

This area should be cut back, he bumped his head while brushing his teeth,. Install possible recessed lighting,. should be white to match countertop

More padding on the seat

Baggage door head bumper should be same leather as seat

Ashtray Should be Velcro in place

Leather inserts and remove one cup holder

Should be fabric or stitched leather looks, it looks like cardboard box currently
