Thank you.

As you know I am very much confused and frustrated with time passing.

Nevertheless, just to be clear - when I asked why they can't share memo with me (or anyone outside DST right now) - I was told that it is only a draft that they wanted to get some input from Yuri first - nevertheless, they will share a final version when completed.

Still, i can't understand why it takes so much time.

Last night during a call with Saurabh, I could not be more clear with my frustration and need to get answers asap.

I also sent a message to Yuri asking for a resolution asap as you suggested.
I also asked him to meet him asap.

What should I do next?

Boris
