Thanks Jeffrey. It is 445 am here and I don't want to wake anyone up..

I got up to check email because I couldn't sleep..

just found out 2 min ago that the loan was approved at \$409K, about 60K less than original request, but I can cover that difference I expect.. :)

Am now going back to sleep as now I think I will be able to.

Thank you so much for being there for me.

Lawrence

will now hopefully hear by tomorrow from jp morgan..... according to the agent the sellers and their agent are likely to pull out of the deal if we delay the closing by more than another week. Looks like it might not be meant to be, alas.. Hopefully in 3-4 years I can save enough money to buy another house outright, and we may have to figure out what to do until then.. but am still working on both banks to try and make something happen.. anyway, maybe jpm will come through tomorrow and we can salvage this.. we will see.. Will keep you abreast of the situation. :)
