Dear Jeffrey

Having talked to publishers and writers in Singapore, I am told that it will cost me about 200,000 dollars to have my book written and published. Finding a good writer is not easy. If you know one that would be great help. Rory Gill, the communication guy who you provided earlier would be great if he has the time. He already understands the context.

I believe that the book will be useful to newly democratizing countries, university students studying crisis in political transition, students of Maldivian history, and Middle Eastern and Asian Studies.

Appreciate your help.
Best regards
Waheed.

Dear Jeffrey,

Hope you are well. Wishing you a healthy, happy and peaceful 2015. Heard sad news of Sultan. Hope he recovers fast.

Jeffrey, I am trying to get a writer to assist me with a book on my five years in the presidency in Maldives. I have found a young American lady with communication background who can do it. Can you help raise some funds for this or find a publisher. You must know people.

Thanks for your help in the past.

All the best and warm regards

Waheed
