If you could travel back in time to the 11th of September 2001 and you had one hour to stop the event from happening what would you do?

 Mike Bowerbank
489 votes

One hour isn't a lot of time.

I'd pull the fire alarms in both World Trade Centers and phone in a bomb threat to the Pentagon to get it evacuated. I'd get arrested, of c... [Read More »](#)

What are some mind blowing technologies that exist that most people don't know about?

 Not sure if I should mention and scare you about technological advancements. Continue reading at your own risk. You can tell what movie anyone is watching by looking at the ... [Read More »](#)

Is it feasible to build a wall between the US and Mexico as Donald Trump claims he would do?

 Dennis Copeland, Honest broker, Systems Engineer for Federal Agencies
2.3k votes

A structural engineer did an analysis of what it would take to build Trump's wall. Here is a link to the article (design drawings, calculations included): An Engineer Explain... [Read More »](#)

Do cops really check the license plate of the car in front of them?

Christopher Hawk, husband, parent, son, brother, friend, writer, reader, cop, bicyclist, juggler, ally, Adjunct Professor at The School of Life....

335 votes

Absolutely! If I'm stopped at a red light, I'll check any I can see. If I'm pulling up behind someone at a stop sign, I check it. If I'm parked on the side of the road a... [Read More »](#)

Why do so many people dislike Bobby Flay and his cooking shows on the Food Network?

Joe Nilsen, Cooking since I was knee-high to a gopher.

517 votes

Oh boy. I could probably write a novel for you to answer your question; unfortunately, I can only allot a few minutes of my day to Bobby Flay. Let me tell you a quick story... [Read More »](#)

My boss just fired me through email. How should I respond? (And also let him know that terminating employment through email makes him look like a spineless weasel?)

James M Shook

Most freelance developers had this kind of experience where client did not pay for the project. But taking revenge will not do any good to you in anyway. You can take this e... [Read More »](#)

Is it correct that if you shout or make a sound that is 1,100 dB, it will create a black hole destroying our galaxy?

Connor Reed
1k votes

No, because sound above 194 dB doesn't exist. This may sound counter intuitive but just stick with me. What is sound? I'm sure you've seen sound described as a wave that can... [Read More »](#)

Why does the M1 Abrams have two 7.62mm machine guns and one 50 cal instead of three 50s?

Michael Peacock, Addito Salis Grano.
615 votes

This was explained to me by an Army National Guard Armor officer: it's the direct result of lessons learned in the Korean War.

When the Abrams was being developed, it was... [Read More »](#)
