Good Afternoon,

I recieved your emails regarding landscaping work.

I am in St. Thomas clearing all of the
Legal paperwork with Dept. Of Agriculture, Excise Tax, and
Customs, for the 10 Coconuts
From Puerto Rico this weekend.
So we can pick them up Monday Morning.

Regarding Blue Beach:

- The dirt on top of the hill, is full of Rocks and needs to be sifted, before
It can be used like topsoil for hydroseeding.
I told Peter St Omar to try to cover it
With sand, as you suggested.

I also told him about the Rocks at, the flagpole pool road to the beach.

And the tiles in the Main pool planter.

I also told Peter to meet you at 2pm.

Thank You,
Igala
