Good and Cheap: Eat Well on \$4/Day (the PDF is free!)

By Leanne Brown

It's exactly what it sounds like: recipes that let you eat well for just a few bucks a day. The PDF is already free online (see for yourself!), but this project is for printing beautifully designed 132-page books to share good, cheap food with as many people as possible.

[Ambulante - Create a FREE documentary tour across the U.S.](#)

By Gael García Bernal & Diego Luna

Turns out we're not the only ones hosting a film festival! The folks behind [Ambulante](#), a rogue documentary tour that started in Mexico, want to bring free documentary programming on a cross-country tour of the US. The more they raise, the more terrain they can cover.

The Janet Collins Story, presented by Sweet Blackberry

By Karyn Parsons

After playing Hilary on *Fresh Prince*, Karyn Parsons founded a nonprofit that helps bring little-known stories of African-American achievement to kids. Their latest project is an animated short about Janet Collins, the first black ballerina to dance at the Metropolitan Opera. Oh, and it's narrated by Chris Rock.

Hundreds of films and counting

Kickstarter-funded features, shorts, docs
and more — now on iTunes.
