With a week to go on Crowdcube in the UK and in Sweden, Best of All Worlds has received formal commitments for over the full amount, and we are now oversubscribed. (bit.ly/boawoffer)

We have decided that we will continue taking on additional investors for the time being. For those interested in participating, we would recommend acting in the next few days, with the offering closing on May 5th.

For those in the US, we are also live on SeedInvest, where US-based accredited investors can participate...
