When are we going to talk? I need a game plan for the next string of harassment coming... I need your help in protecting myself and you for that matter. I am not in a position like yourself to just get up and go... I need support. How can you help?

And if you want, I can put a good word in to the film makers creating a movie over this...

When can you talk in person. I have a private investigator showing up to my parents and now my home- luckily I wasn't home tonight, but I'm certain they'll be back... We need to clarify some things. It's been a looong time.
